

Saint Francis Home Visitation Protocol

Effective January 8, 2022 per California Public Health Department regulations

Family Virtual and Indoor or Patio visits are by appointment; please contact the front desk to schedule at least 24hrs prior to coming (714) 542-0381.

- Be prepared to go through screening, which now includes checking your temperature, answering health questions and the use of hand sanitizer (all standard procedures due to CoVid-19). All visitors are required to wear a facemask and use it properly; we have placed instructions on how to use these all around our facility for your convenience.
- **For visitors two years of age or older and regardless of proof of any vaccine or booster:**
During Jan. 7- Feb. 7, 2022, prior to visiting our facility in or outdoors you are obliged to provide the following proof:
 - PCR Negative Test within 48 hours prior to entry
 - FDA approved Negative Antigen Test results taken within 24 hours of entry

CoVid-19 Vaccine		Primary Vaccination Series	Booster Eligibility	Adequate Vaccine Booster to receive
Moderna or Pfizer-BioNTech	1 st	And 2 nd Doses	Booster dose: 6 months after the 2 nd dose	Any of the COVID-19 vaccines authorized in the United States may be used for the booster dose preferably Moderna or Pfizer-BioNTech
Johnson and Johnson (J&J / Janssen)	1 st	Dose	Booster dose: 2 months after 1 st dose	Any of the COVID-19 vaccines authorized in the United States may be used for the booster dose preferably Moderna or Pfizer-BioNTech

Saint Francis Home Facility Visitor Guidelines:

- 2 Visitors per indoor visit (2 max visits)
- 4 visitors per outdoor visit (4 max/visit)

- Please submit your COVID-19 Status prior to your visit to the front office at sfrancishome@sbcglobal.net
- **Visitors who will not adhere to the core principles of COVID-19 principles may not be able to visit or may be asked to leave.**
